

IN MEMORY OF DON HOLT
1941-2021
EKC BOARD MEMBER
VALUED MEMBER TO OUR COMMUNITIES

Remembering Don

With great sadness, we announce the passing of Don Holt, EKC Board Member and part of our EKC family.

Don has been a Board Member of EKC since 1999. Although he held various roles over his 22 years on the Board, he was the Board Secretary from 2000 to 2003 and chaired the Board for 10 years, from 2004 to 2014.

As a lifelong credit union member, Don fit naturally as a Board Member. He made things happen, whether he led the charge or created energy on the team. Don's legacy in his community will be enduring, and his community involvement will represent a central part of how his community remembers him: as a leader, a teacher, and a mentor.

Don fostered local growth and prosperity. He was a passionate camper and gardener, ensuring the Cranbrook's branch flower boxes thrived.

Together we offer our condolences to his wife Linda, their family, and the people Don influenced in our communities. He will be missed.

Don and Linda Holt led the way with the local teaching community to start the fund in 2018. Since 2019, an annual grant has been offered to support student success and wellness in Cranbrook's public schools as recommended by the Cranbrook Retired Teachers' Association and the Cranbrook District Teachers' Association, subject to approval by the CFKR Board.
