BANKING ALERTS

DO YOU NEED BANKING ALERTS?

MemberDirect Alerts are an optional extra layer of security for our members using online banking. Through EKC's app or on EKCCU.COM when logged into *MemberDirect*, you can set up custom alerts to receive a text or email anytime certain activities are taking place in your account. This feature allows you immediate understanding of your account, and potential suspicious activities. For example, a text will be sent to you for all withdrawals over \$100.
